

9 Golden Rules

This Health and Safety (HSE) campaign has been developed by Duqm Refinery. It aims to raise and enhance awareness around 9 golden rules of safety in the industry in order to avoid and minimize the number of accidents and injuries in construction sites. Duqm Refinery's campaigns and initiatives are designed to deliver long-term social benefits, while simultaneously tackling more pressing community needs.

The posters will be available for free download in English, Hindi, Arabic, Korean, Chinese, Bengali and Tagalog.

The posters are designed in a way that you can add your company logo and share them around to be part of our campaign.

Don't forget to share this campaign on social media using the animations at the bottom of this page!
